

Sustainability Day

22nd March 2010 (10:00 am - 4:00 pm)
Bedford College · Cauldwell Street · MK42 9AH

At Bedford College we are proud to announce our third annual Sustainability Day.

Sustainability is incorporated into all courses at Bedford College and effective community engagement provides valuable learning opportunities in a wide range of vocational disciplines.

This event will showcase students' achievements and celebrate our successful partnerships with many industry, community and public sector organisations. Examples include:

- Sustainable development work completed by students in a range of curriculum areas
- Information on low carbon retro-fit developments at Bedford College
- Information on current partnership activity (Pathfinder Innovation Centres for Sustainability, Riseley Eco-House project, Retro-fit for the Future project and others)
- Exhibits with information, guidance and good-practice examples
- Interactive computer programs, competitions and many others!

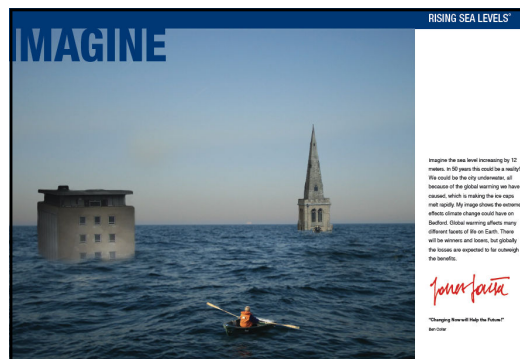

Participation as an exhibitor or as a visitor is **free of charge**.

Please register on the attached form.

Parking facilities are available in the nearby public car parks.
